MOUNT LIBERTY'S ADVANTAGES

Conservative investments

Partners do not need to understand a huge number of investment instruments on their own

It is enough to place a deposit through our company and receive passive income

Stable rate of return by investing in proven instruments

Ambience as an investment

Bringing together people interested in passive income and multiplying their capital

All those who love travelling and being in progress

Shares the MLM ideology

A unique marketing structure

Financial MLM company - a priori higher income than in product companies

Three regular summarisable sources of income within the company: statuses, income from income, pools

Opportunity to grow your structure and sell as a ready-made business within the company

* MLM (multilevel marketing) is a concept of selling goods and services based on the creation of a network of independent distributors.

STABLE RETURNS

Selecting **the most effective** investment tools

Workable and nereat reliable, for a steady income for everyone in the community

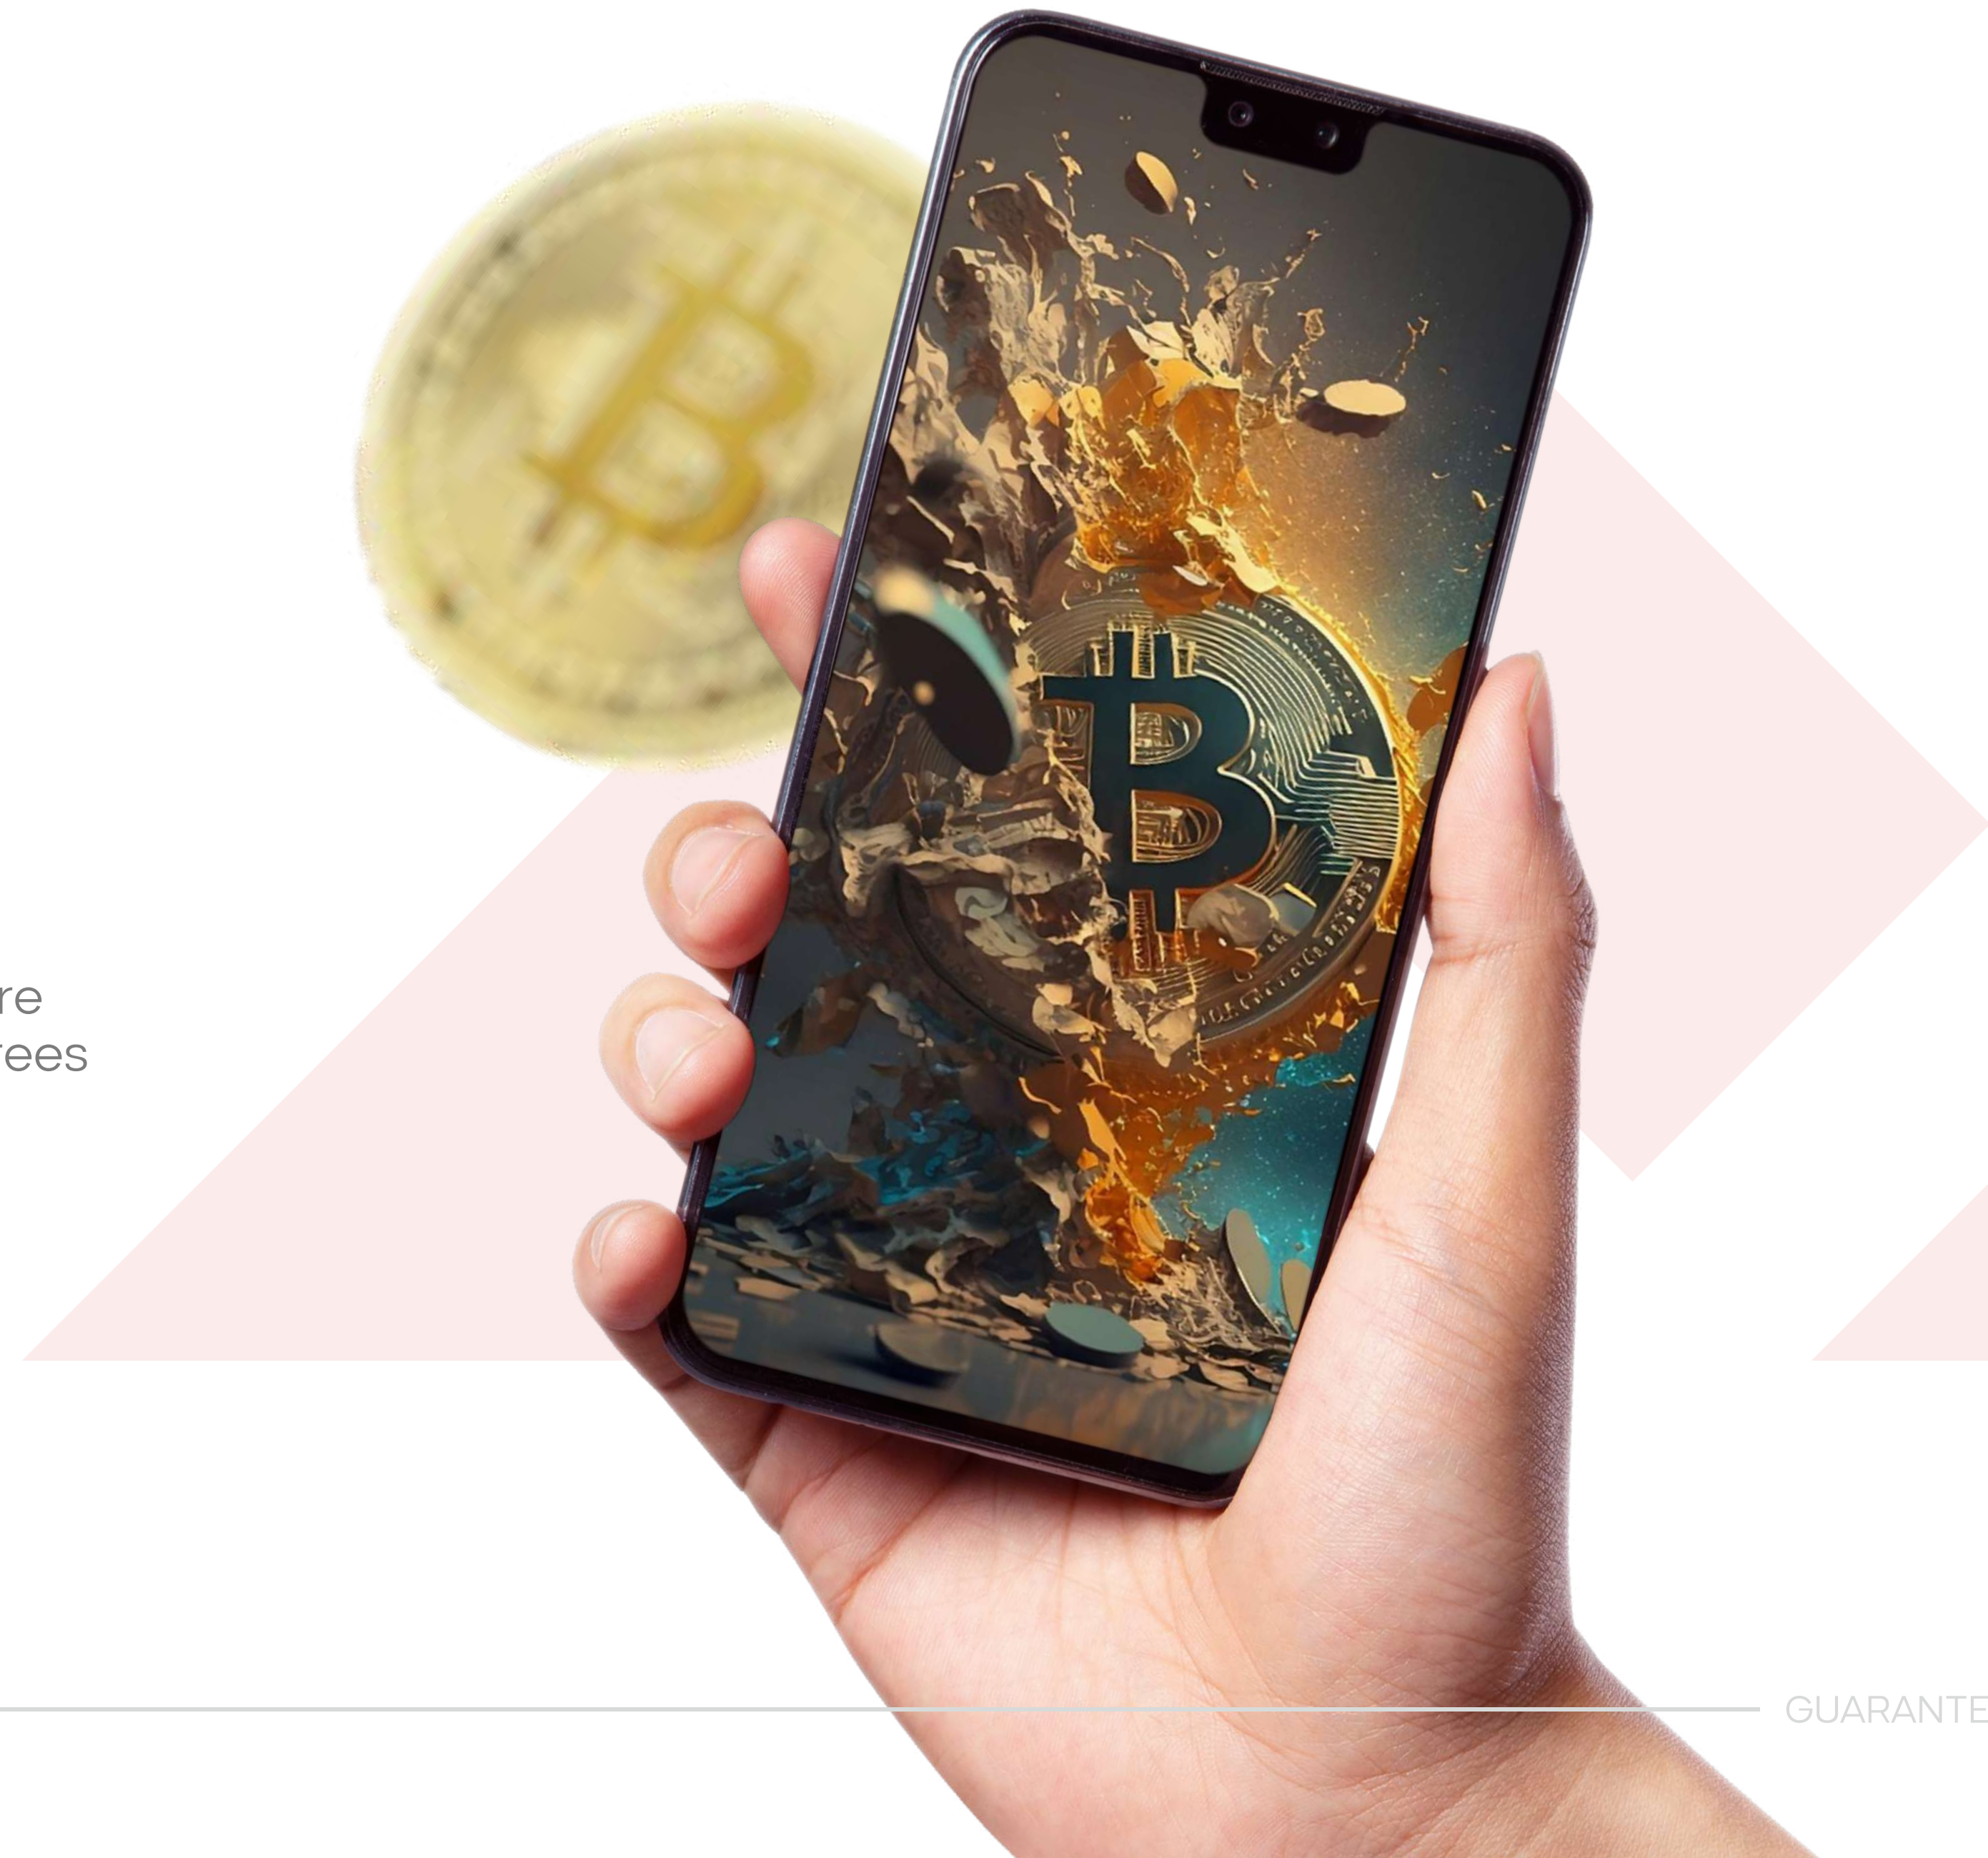

We believe in risk diversification

That's why we invest some of our profits in more traditional business logistics with varying degrees of profitability

We understand the dynamism of today's marketplace

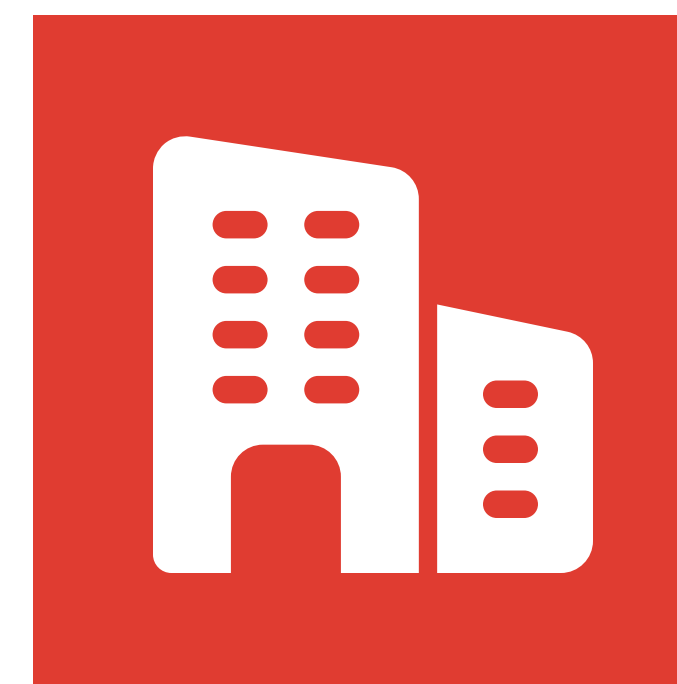

Even if one tool stumbles, the others will work and the structure will be preserved

ONE OF THE TOOLS FOR GENERATING INCOME

CryptoWave Capital's main product is an artificial intelligence-based investment (project patent) in cryptofunding.

2013

company foundation.
Forex and stock
exchange trading

From 2017

focus on crypto trading by assessing
the prospects for the cryptocurrency
market

From 2019

completely focused
on cryptofunding.

What is cryptofunding?

A cryptofunding rate is a small percentage of the value of your position that is paid to or received from traders on the other side of the trade

How does it work?

Due to the use of artificial intelligence, the investor's funds are automatically transferred in cryptofunding on major exchanges to earn a percentage of the trader's positions and bring passive income to the investor

MADE CRIPTOFUNDING AS SIMPLE AS IT SHOULD BE

You don't have to become a broker and study for years **to earn a monthly income**

You don't have to spend time researching algorithms, funding rates, and the best coin pairs to fund.

All you have to do is sign up, choose your contract and let the artificial intelligence algorithms do the rest

ACCRUED ITEMS

The investor receives % on deposit

+/-10% PER MONTH

INVEST IN BUILDING YOUR BUSINESS, EARN INCOME FROM YOUR PERSONAL TURNOVER AND THE TURNOVER OF THE WHOLE COMPANY **MOUNT LIBERTY**

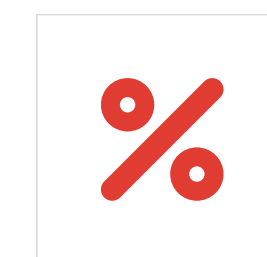

"DOUBLE" PROFITABILITY

Income from investment tools +
Income from marketing system

The crowdfunding company receives income from dividends of raised deposits, some of which it pays to the agent network

MLM partner receives income from the income of deposits solicited by him and his structure + a percentage of the total turnover of the whole company

MARKETING SYSTEM

Put your efforts into building
a structure and earn a constant income

You build your business, we ensure a return on your investment and create the infrastructure for growth

Together we can achieve our goals faster

CONDITIONS FOR OPENING A STATUS

01

Deposit

minimum personal deposit
on the account for each level

02

Turnover

group turnover - volume of solicited
working deposits in the structure

03

Persons

a certain number of personalities

04

Partners

a certain number of active partners
(partners with a deposit of \$200 or more)

Status	Turnover	Personel deposit	No. of active partners	No. of Persons	Depth
Phyanite	-	200	-	-	1
Pearl	1 000	400	-	3	2
Garnet	5 000	800	-	4	3
Topaz	10 000	1 500	-	5	4
Sapphire	50 000	3 000	20	8	5
Diamond	100 000	10 000	50	10	6
Emerald	250 000	25 000	100	20	7
Alexandrite	500 000	50 000	250	25	8
Ruby	1 M	100 000	500	30	9
Blue diamond	5 M	200 000	1000	35	10

Red diamond	100 M	1 M	10 000	50	12

Percentage on deposit (investment income) is accrued on a weekly basis

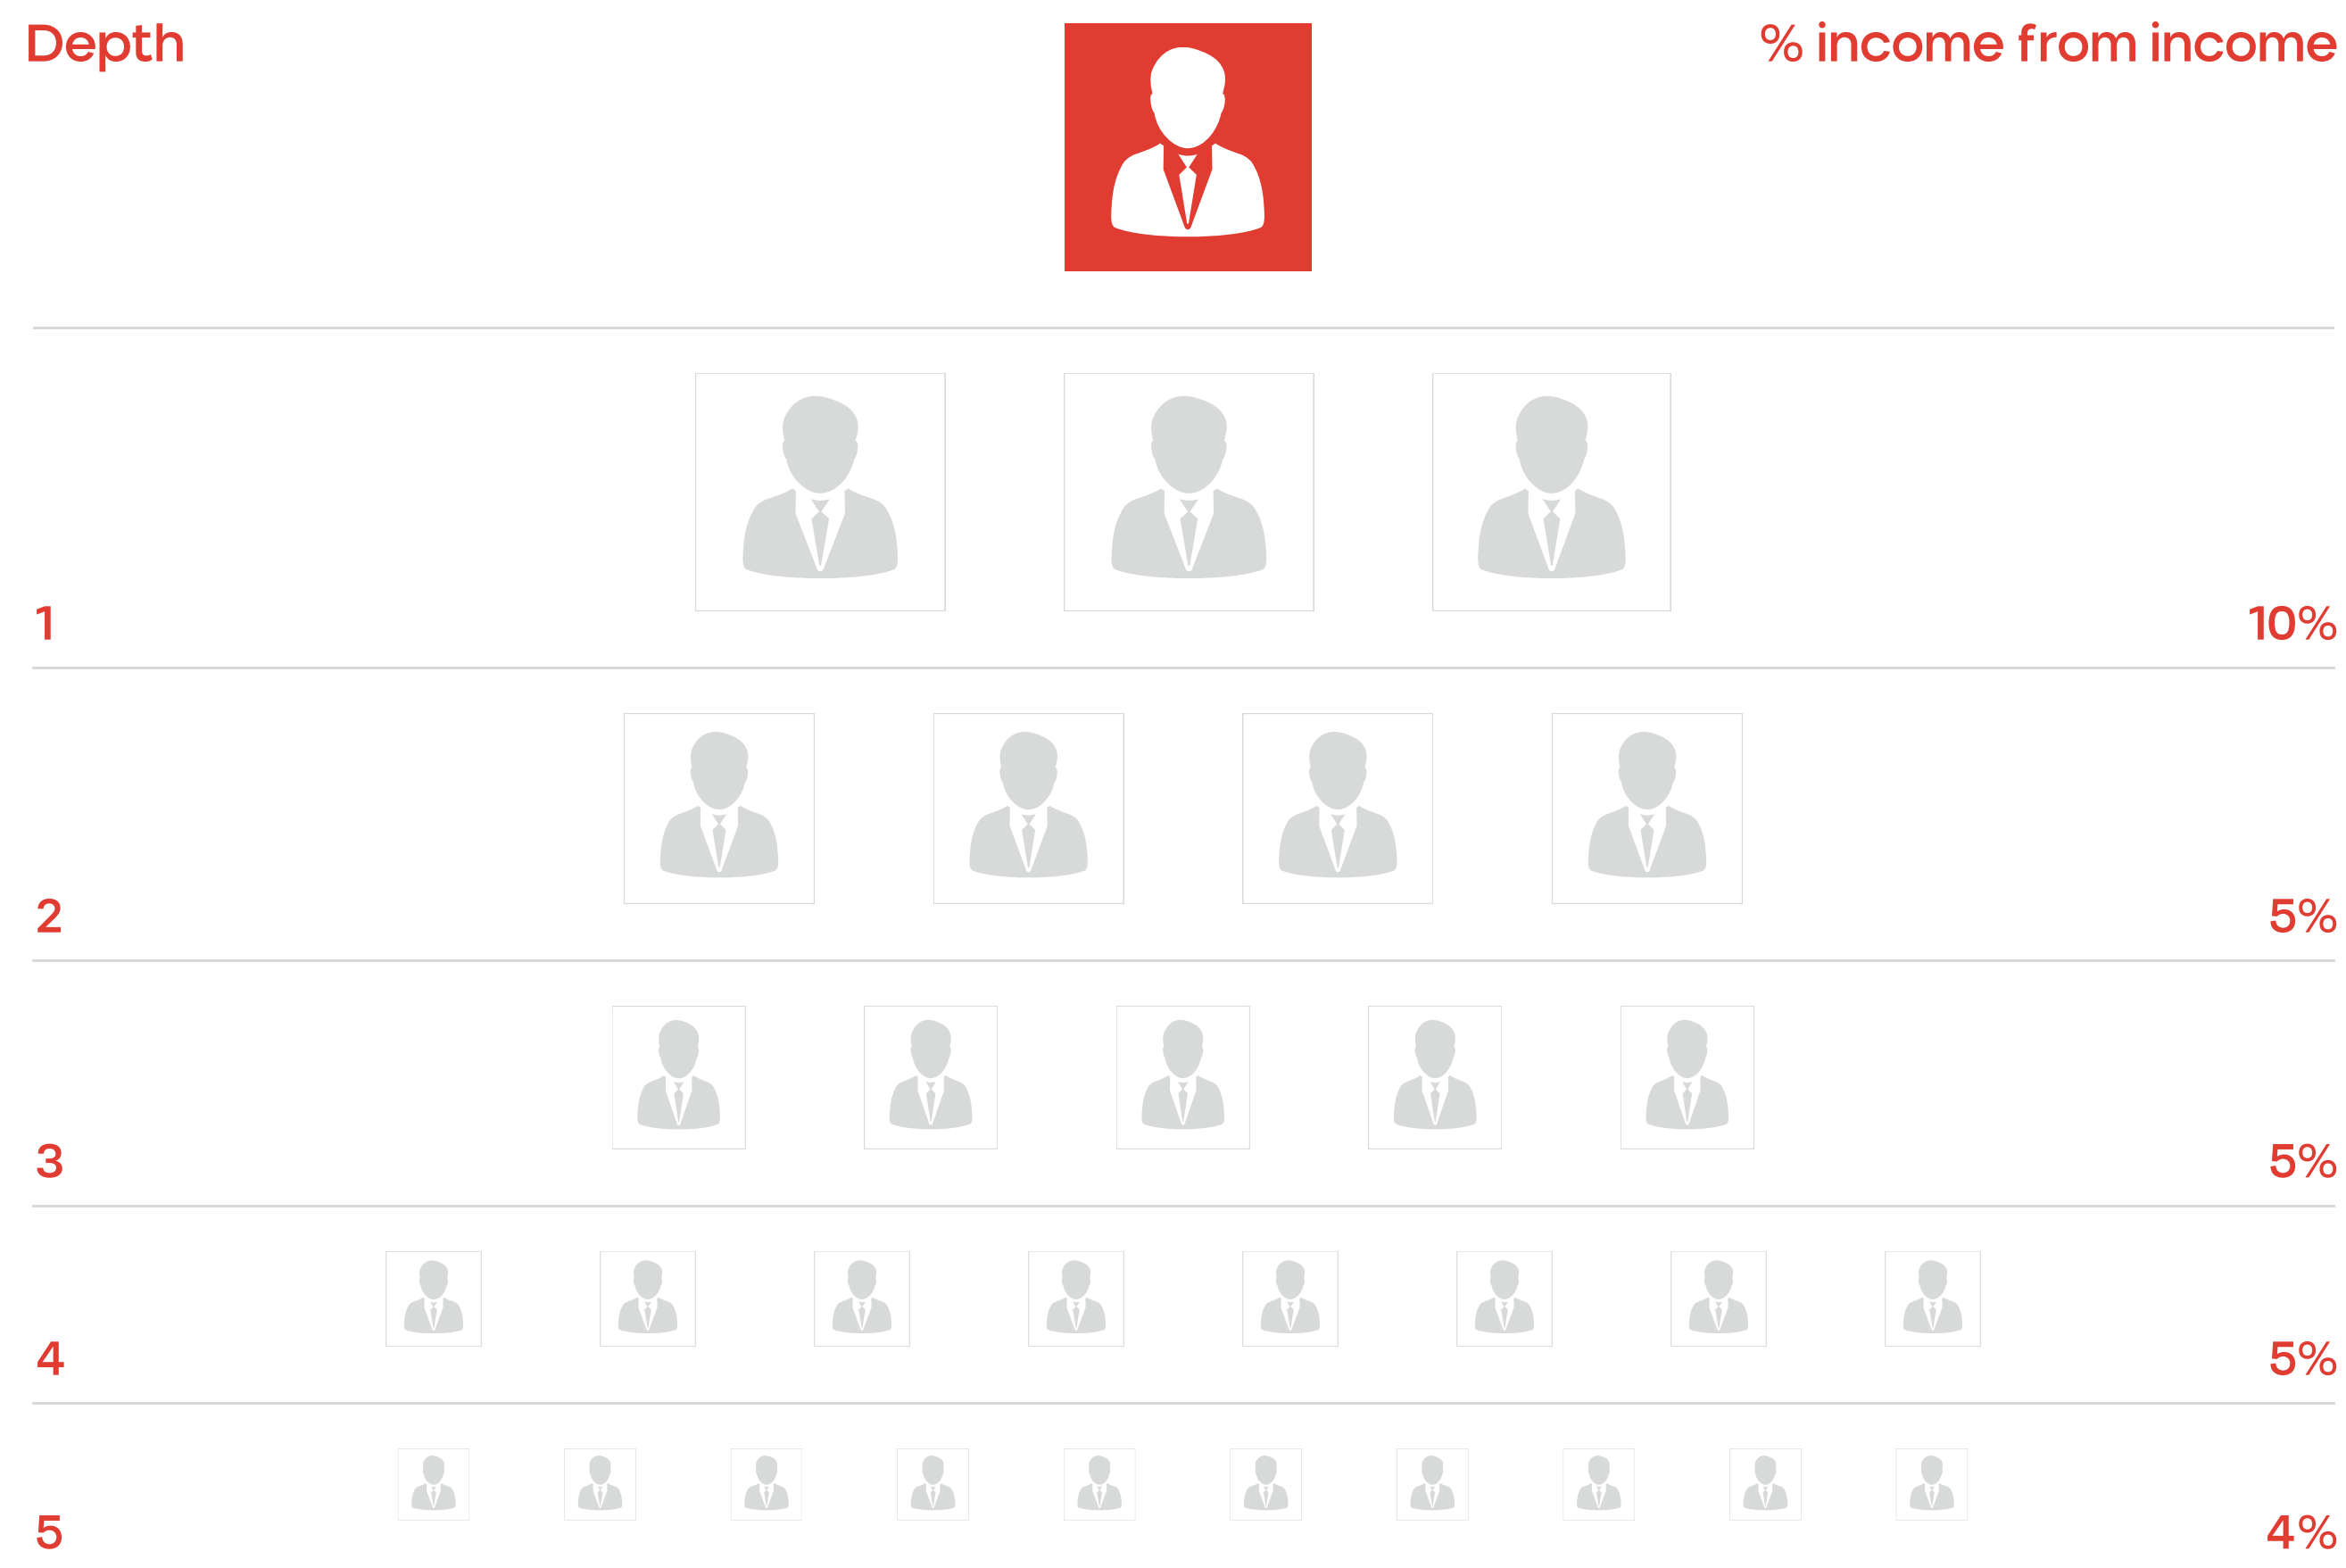

Once an affiliate investor earns income, his mentor is rewarded by the marketing system on the amount of the investor's income

STATUS INCOME

Opening each next Status, opens the possibility to receive % of the next in depth lines (from the first line 10% + 5% from the second line, etc.).

Status	Depth	% income from income
Phyanite	1	10%
Pearl	2	5%
Garnet	3	5%
Topaz	4	5%
Sapphire	5	4%
Diamond	6	4%
Emerald	7	3%
Alexandrite	8	3%
Ruby	9	2%
Blue diamond	10	2%
Green diamond	11	1%
Red diamond	12	1%

% income from income - percentages that are paid to the partner from the amount of income received from investment instruments

Further according to the table

Qualified Wall Street brokers receive a one-off 1% of the amount of investments raised

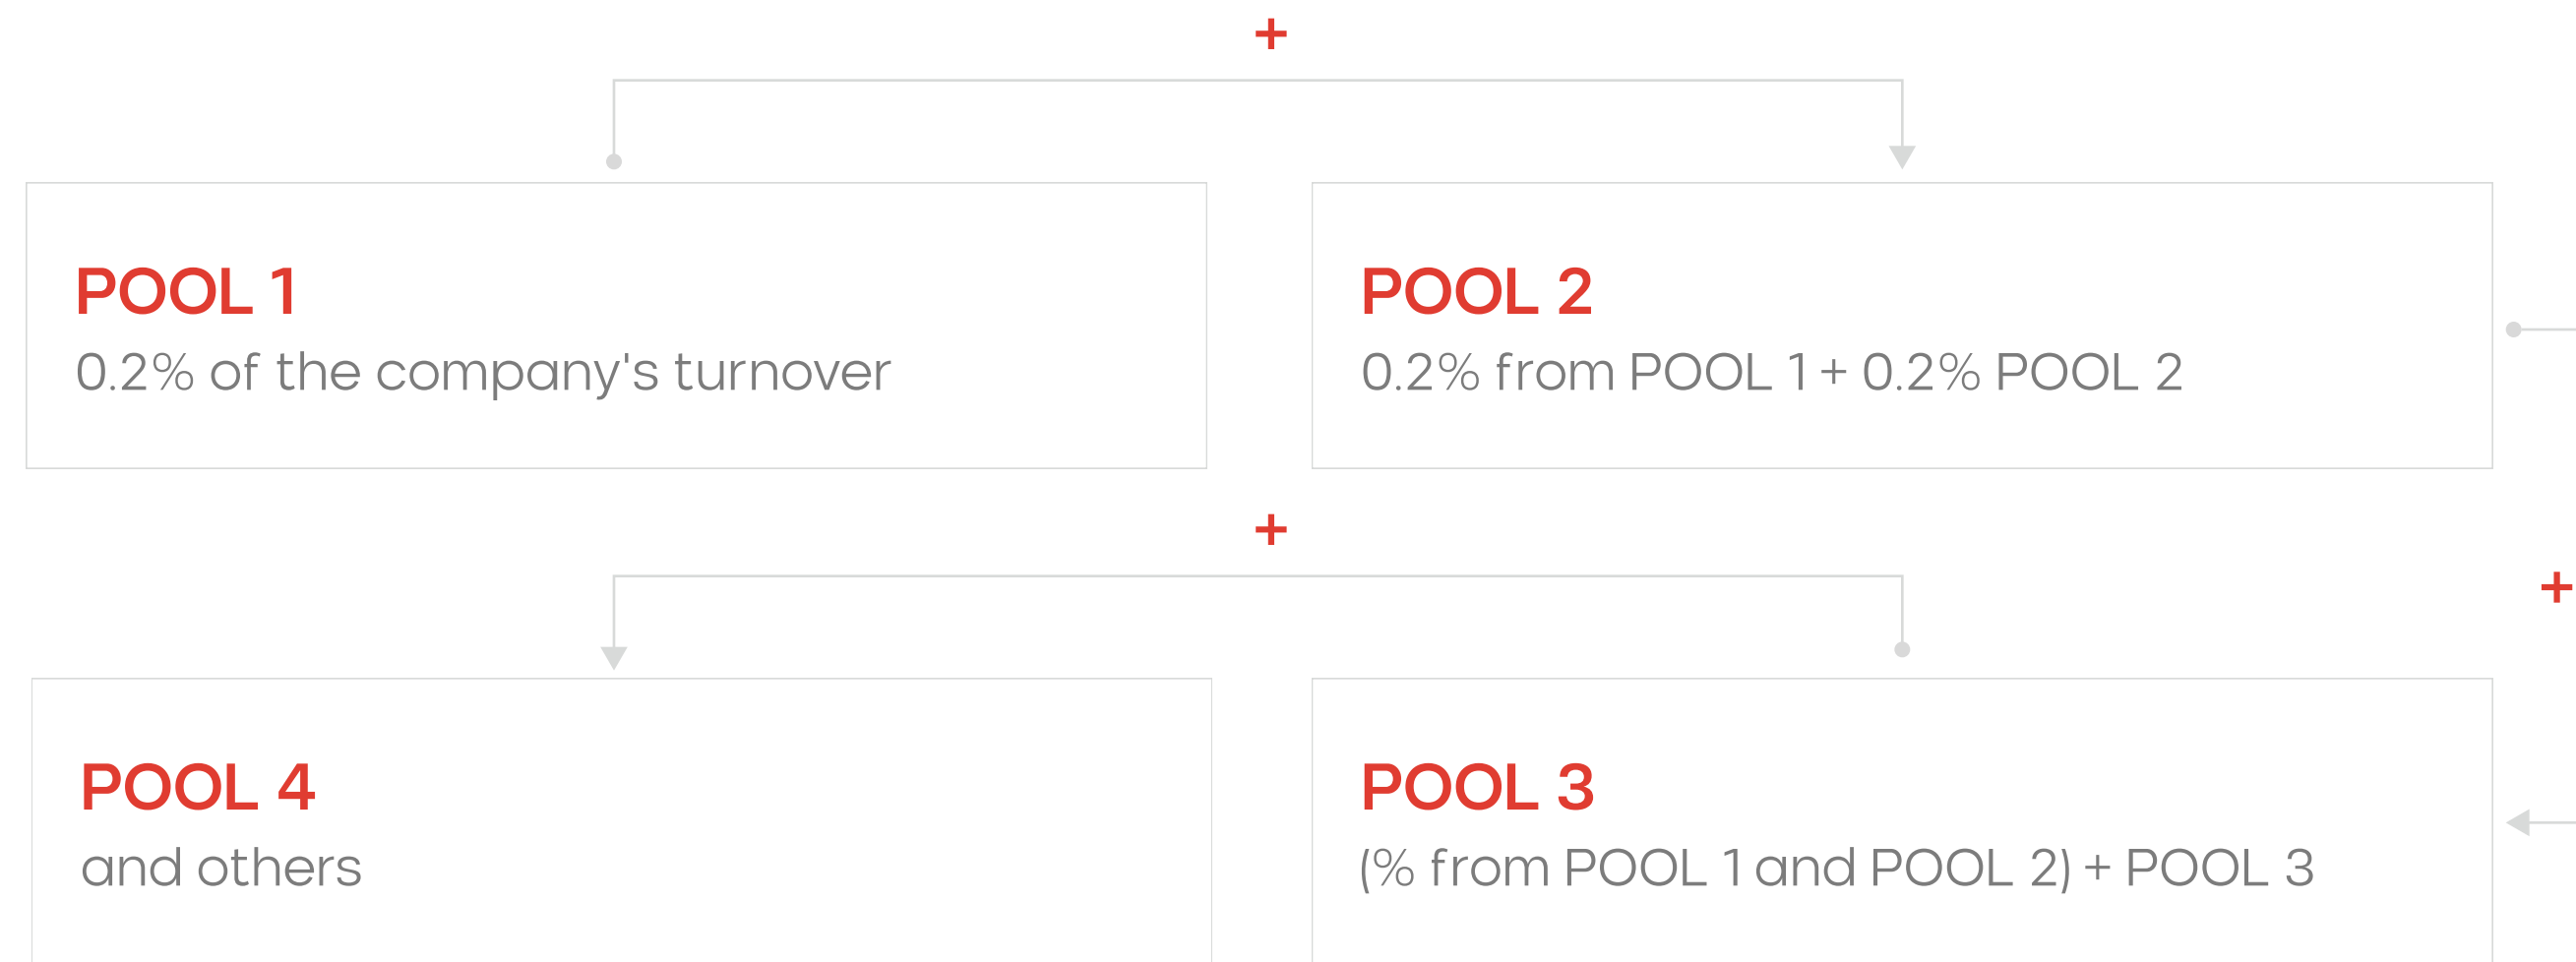

You receive a comparable amount each month depending on your Open Status **in Mount Liberty**

TATAL 7 POOLS

0.2% of the total turnover of the company is divided among all participants of this level

The pool is credited together with referral and investment payments once a week

The pool earnings percentages sum up when you reach the following levels (you get your % from each pool, and from the first, and from the second, etc.)

Satatus	Pool
Phyanite	
Pearl	
Garnet	
Topaz	
Sapphire	
Diamond	1 - 0.2%
Emerald	2 - 0.2%
Alexandrite	3 - 0.2%
Ruby	4 - 0.2%
Blue diamond	5 - 0.2%
Green diamond	6 - 0.2%
Red diamond	7 - 0.2%

For example, the total turnover of a company is \$1bn 0.2% of \$1bn = \$2m

POOL 1 from one company partner	POOL 1 at 5 partners	POOL 1 in 5 partners POOL 2 at 1 partner
Revenue per partner on POOL 1 = \$2 million	\$2 million / 5 partners = each partner will receive \$400,000	POOL 2 - 0.2% of \$2bn = \$2m. + \$400 thousand income on POOL 1
		Total partner with POOL 2 has total pool revenue = \$2.4 million

IT'S EASY

More total deposit
and turnover

More amount to distribute
among partners in the
marketing system

01

More partners

02

03

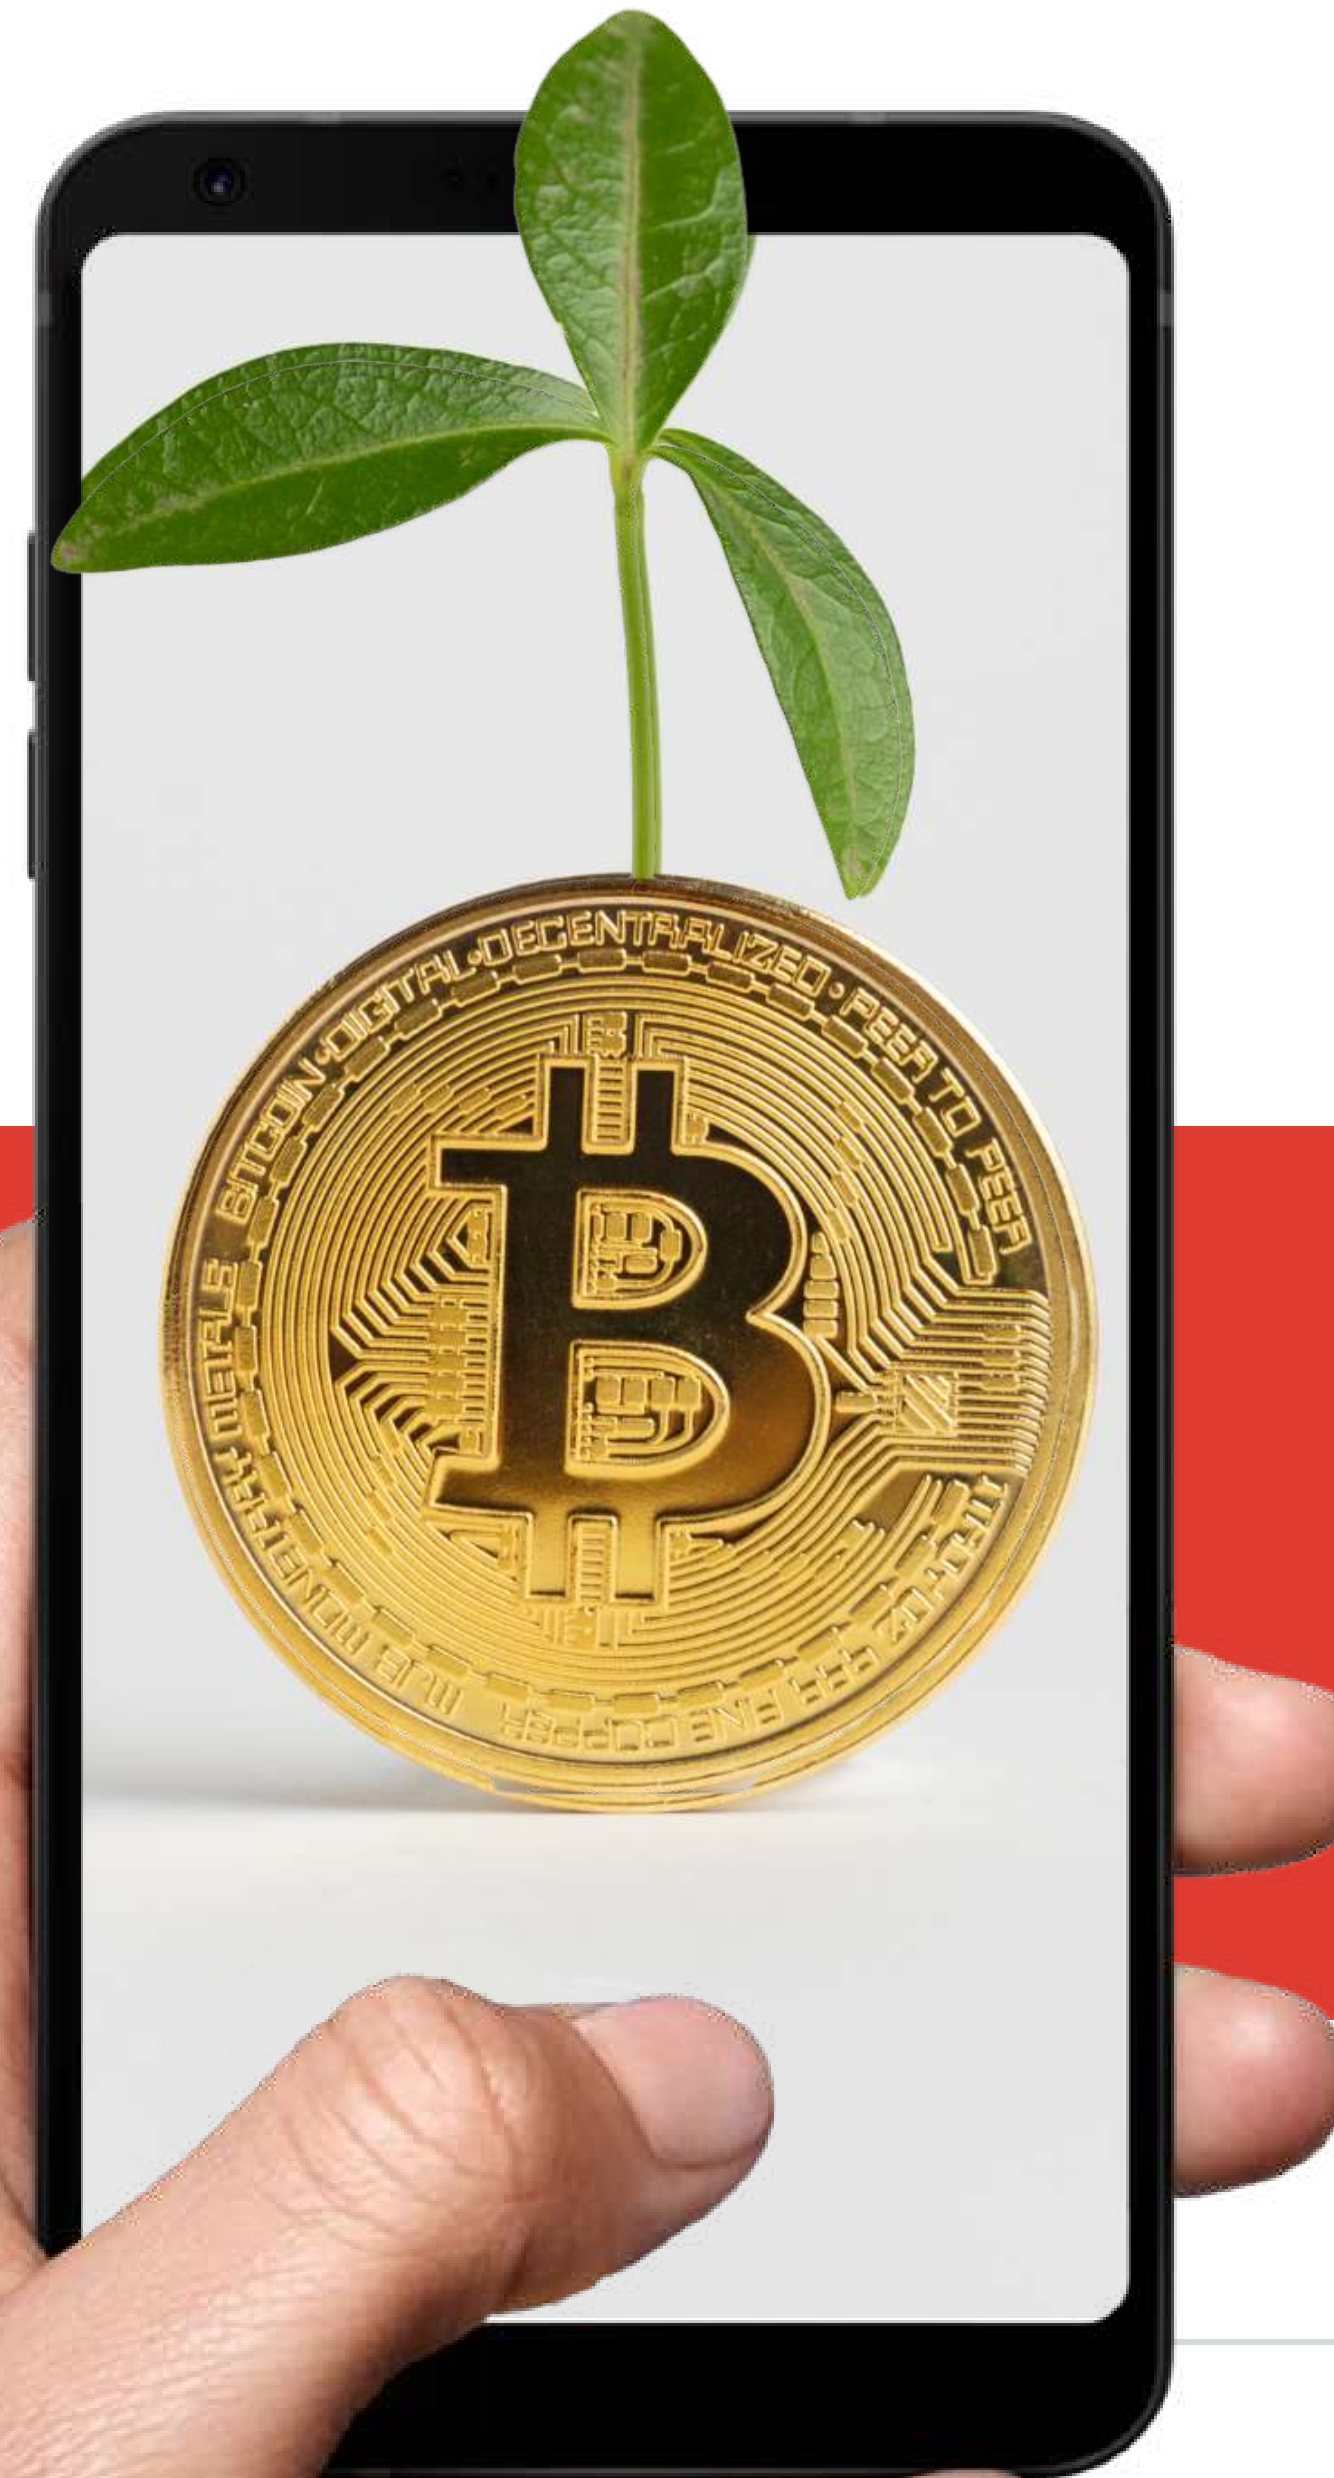

More total earnings
(% on deposits)

04

GAIN ON SALE OF **STRUCTURE**

NFT tokens at levels 6-12

Possibility to sell the structure
on the internal marketplace

You don't lose anything

If you get tired of actively developing
your structure or want to leave the
company, you can sell your "Status"
as a ready-made business

This could be one of your
strategies - building a
structure and then selling it off

YOU'RE THE ONLY ONE WHO DETERMINES YOUR STRATEGY

**Generate passive income
from investments**

Place a deposit, earn through a variety
of proven investment instruments

Build a business and sell it

Earn on the capitalisation
of your structure

Go further

Grow a team, build a system,
scale revenue
